Beam: 12' 9" (3.89m)

Max Draft: 3' 9" (1.14m)

Clearance: 9' 10" (3.00m)

Speed, Capacities and Weight

Displacement: 14000 Pounds

Water Capacity: 60 Gallons

Holding Tank: 30 Gallons

Fuel Capacity: 350 Gallons

Accommodations

Total Berths: 4

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Crusader

Model: 454 MPI

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Pursuit 3400 Express is the flagship of company's fleet. In this 3400, fishing prowess is equaled by pure luxury and cruising performance. Of course, that only adds to the fishability, enabling this boat to go farther faster and in greater comfort in pursuit of trophies. The modified deep-V entry and 12-foot, 9-inch beam give this boat a strong, fuel-efficient hull that delivers great stability, precise handling, and a soft, dry ride. Within that proven hull, the 3400 Express was completely redesigned for the year 2000. There are three different deck plans. One is designed for all-out fishing, another is optimized for cruising and entertaining, while a third strikes a balance between fishing and cruising. The fishing package contains large fish boxes in the transom and the floor, and bait and tackle drawer storage in the lower cockpit. The fish and cruise option replaces the kill box with fold-down transom seating, and the cruise configuration complements the transom seat with more than five-and-a-half feet of aft-facing upholstered seating. The accommodations below are spacious and thoughtfully laid out. The generous salon sleeps four comfortably and the efficient galley features a sink, a stove, a microwave, and a refrigerator. The fabrics, detailing, and standard solid teak and holly floor create a warm, traditional look throughout.
