# DETAILED INFORMATION

---

## Overview

---

Baglietto Motor yacht **APACHE II** is a superior yacht measuring 44.00m (144' 4"). The *Cantieri Navali Baglietto APACHE II* is an aluminum motor yacht built at the Varazze shipyard in 2009. Her interior design was the successful creation of Paszkowski.

**APACHE II** has a whisper gray hull and superstructure giving her a dynamic and futuristic look. She has an interior finished in a modern, minimalist style using a rich range of natural materials. Powered by two MTU diesel engines, **APACHE II** is able to reach a top speed of *27 knots* and comfortably cruise at *24 knots*.

Owned by the original family and captain that built her, she has been maintained in excellent condition. **APACHE II** has been a fantastic yacht for her owners as well as select repeat charter guests over the years.

## KEY FEATURES

- Completed 5-year Class survey
- Capable of 27 knots
- Dynamic exterior design
- Sleek and spacious interior
- 2 extendable terraces off dining room
- Generous sun deck
- Garage for tenders and toys
- 5 staterooms with ondeck master
- NAIAD 4 Fin at-rest stabilizers (at anchor)
- Excellent European charter history

## Main Deck

---

The modern, minimalistic living area is ideal for relaxing and socializing. The luxurious interior design boasts a rich variety of natural materials, such as leather, stained oak and Jerusalem Gold stone.

---

**APACHE II** provides a calm and spacious environment created for many moments of

pleasure, relaxation and party gatherings. The stylish salon features a comfortable L-shaped couch and coffee table facing a large 42-inch pop up Bose home cinema system.

Gourmet cuisine can be enjoyed in the comfortable, yet elegant formal dining room which boasts 2 unique extendable terraces on the port and starboard sides, adjacent to the dining area doors, which increases the width of the dining room. These terraces offer a unique view of the sea and surroundings.

The spacious Master stateroom with its modern and elegant design features a king sized bed, office area, large walk in closet, and his/her en-suite facilities. The Master cabin is equipped with a 42" plasma TV with full surround system, DVD, satellite TV access, and HIFI system. The Master stateroom's also showcases the photosensitive skylights- transforming a beautiful starlit evening to complete privacy in seconds.

---

## Accommodations

---

Accommodations onboard **APACHE II** are comfortable and luxurious, accommodating a total of 12 guests in 5 cabins. Comprised of a Master stateroom, two VIP cabins and two twin cabins.

The two VIP cabins have double beds and the 2 twin cabins include a Pullman bunk. The guest accommodations are located on the lower deck, and all cabins have en-suite facilities. All of the spacious cabins are equipped with a mirror display television, satellite and digital terrestrial TV decoder, Bose 3/2/1 Stereo, CD/DVD/Radio FM-AM.

The crew quarters can accommodate up to 9 crew in discrete, comfortable, quiet surroundings.

---

## Sun Deck

---

Enjoy the 360° view on the spacious sun deck. Whether you wish to have a drink, enjoy a meal prepared by the chef or simply soak up the Mediterranean sun, the sun deck has fantastic, spacious, spaces unencumbered by tenders and toys. The sun deck on **APACHE II** features a lounging area with sun pads, sun loungers, and a wet bar with easy access to the swimming platform via stairs to the port side. There are

also port and starboard boarding ladders. The top deck also boasts room for al-fresco dining so that you can enjoy your meals under gorgeous Mediterranean skies.

---

## Garage/Swim Platform

---

With the Swim Platform deployed, the spacious deck and garage create the perfect lounge area with easy access from the main deck and to the water. From here you can enjoy the water, tenders, jet skis, and assorted water toys. With the transom closed you have a protected space for the tenders and toys when not in use.

---

## Electrical

---

Generator: 2x Onan (John Deer) 80 KVA, Port: 7300 hrs, Stbd: 7353 hrs (Aug 2015)

Electricity: 50 cycle

Shore power transformer to accept worldwide shore power variations

Batteries:

Main engine start - Gel Batteries (2 per side)

Service - 2 Gel Batteries Gel

Generator start - Gel Batteries (2 per side)

Emergency - 2 Gel Batteries

\*\*each of the 4 battery banks has its own discreet charger
