DETAILED INFORMATION

Broker Remarks

PERSISTENCE is a true masterpiece, built by Michael Rybovich. Cruise range is 35-38 knots and top end is 43 knots. There is no finer custom sportfisherman anywhere in the world.

Accommodations

Entering the salon, to starboard, are L-shaped built-in leather sofas with storage underneath. The custom convertible teak coffee table has a Hi-Lo actuator to lower and raise, plus a slide. To port is the bar, featuring teak and granite counter top, stainless steel sink, Kitchen Aid ice maker and liquor/glass storage locker. Forward to port is the curved dinette with granite tabletop and storage below. Centerline forward is an island galley bar with three stainless steel and leather bar stools. The island features bi-level granite counter tops on a teak base. In the center island is the built-in stainless steel Palm Beach AquaAir refrigeration system, which includes two refrigerators and two freezers. Forward of the center island is the galley with a Gaggenau glass four burner stove top, Gaggenau oven, Sharp Carousel Grill 2 convection/microwave oven, Fisher & Paykel dishwasher and Brone trash compactor. Above are the galley cabinets, with double extension drawers. Centerline, in the galley cabinetry is a 40" Sharp flat screen TV. The stereo system is separate, with an IPOD dock and five overhead speakers. teak and holly floor in the galley and day head, and Berber carpet throughout the salon, all matched grain teak paneling throughout. Hunter Douglas blinds with remote actuator to raise, lower, and close. Forward to port is the day head with granite countertop, Head Hunter fresh water head, and teak and holly floor. Aft of the head is an access locker that opens up to a full beam storage area.

Master Stateroom

Features a full king sized berth measuring 6'10" in length. Very tastefully decorated in rich earth tones, with padded headboard and matching quilted coverlets, shams and throw pillows. The dropped soffit over the king sized bed is accented by an inlaid Compass Rose and is lit, and under- berth lighting creates an opulent atmosphere in the Master Stateroom. The full king sized bed is flanked by twin nightstands with reading lights, drawer storage and granite counter tops. There is a dresser with makeup mirror and custom lighting, stool and four sliding drawers on each side. Centerline and above, is a Sharp flat screen TV. There is a separate A/C and stereo

system, which includes an IPOD dock w/CD and DVD player. There is a cedar lined walk-in closet.

Adjoining Private Head (Master Stateroom)

Featuring an extra large, stand up or sit down shower with interior lighting and eye level storage inside. The shower has a decorative bamboo etching on the door. Granite countertop on vanity, with an oversized mirror and custom lighting. The well placed single sink allows for plenty of counter space. There is a Head Hunter fresh water head to port, teak and holly floor.

VIP Stateroom

To port is a walk around queen sized bed, with drawer storage below, decorated in rich earth tones, accented by an ornamental bamboo wicker head board with quilted coverlet, shams and throw pillows. Above the headboard is a Shoji screen, back lit in yellow. There are matching cedar lined "his and hers" hanging lockers with drawer storage below, more storage beneath the berth, a full sized hanging locker to starboard and four drawers below the Sharp flat screen TV. Other features include indirect lighting below the berth, granite countertops, reading lamps, indirect lighting overhead, private stereo system with IPOD dock and CD/DVD Player, Berber carpet, overhead hatch with Ocean Air sunshade.

Adjoining Private Head (VIP Stateroom)

Located furthest forward is the large shower with seats on either side. The Head Hunter fresh water head is located to port and the vanity with granite countertop to starboard. There is a cedar lined closet for towel & linen storage. Richly decorated with custom wall coverings, recessed quartz lights, and teak and holly floor.

Guest Stateroom

Twin berths, with four slide-out drawers under, and quilted coverlets, matching shams and throw pillows. The night stand has drawer storage, and there are reading lamps for each bunk, as well as the overhead recessed quartz lighting. The hull side Shoji screen is backlit, there is indirect lighting around the base of each bunk and a separate stereo system with an IPOD dock. The Sharp flat screen TV is forward. A full sized cedar lined hanging locker is forward hull side, with the adjoining head forward of it.

Adjoining Private Head (Guest Stateroom)

Full sized shower, vanity with mirror and granite countertops, teak and holly floor and the fresh water Head Hunter head.

Companionway

At the base of the steps there are several hull side cedar lined storage lockers to starboard. Directly forward behind a split teak louvered door is a full sized Miele Touchtronic front loading washer and separate Miele Touchtronic dryer. Up two steps are two full sized storage lockers for towel and laundry supplies, making this area a complete laundry center.

Crew Stateroom

Moving aft and to starboard, the crew quarters feature over/under bunks with storage outboard above the top bunk behind sliding Shoji panels and below the lower bunk. Each bunk has a Sharp TV, quilted coverlets, reading lamps and separate A/C controls. There is a full sized cedar hanging locker, and drawer storage below the nightstand. This cabin also has a separate stereo system with IPOD dock and CD/DVD player.

Adjoining Private Head (Crew Stateroom)

The full sized shower has a seat inside and eye level storage. Head Hunter fresh water head, teak and holly floor, granite countertops on the vanity, large mirror and plenty of below counter storage.

Tackle Room/Crew Quarters

This boat was designed for a crew quarters below, it is air conditioned, and plumbed and wired for conversion if so desired. The current owner has made this area a tackle storage room. To port is a stainless steel work bench top with sink and custom built in tool box with spare parts lockers. There is also a second water maker and a second Eskimo ice machine.

Below Deck and Forward

From below deck of the owner's stateroom all the way forward to below the VIP stateroom, furthest forward, is well lit storage, which is approximately 30' long and finished in shiny white Awlgrip.

Flybridge

Teak helm and pod with MME electronic single lever controls by Sturdy, with bow

thruster actuators on both levers. Forward is the L-shaped lounge with cushions and storage below, custom teak table on Bluewater stanchion, two A/C exhaust vents, one to port, one to starboard, each with their own air handler. To port is a top loading stainless steel freezer and a separate top loading stainless steel refrigerated drink box. Aft is a full length bench seat with storage below. There are three Bluewater teak helm chairs. Other features include EZ2CY three sided enclosure, quartz indirect overhead lighting, overhead handrail, MIYA Tech US-9R teaser reels in overhead box, which are remote controlled.
