SPECIFICATIONS

Overview

The Owners of EDESIA have instructed a price reduction of EUR 750,000 down to a new asking price of EUR 14,750,000. This opportunity for a nearly-new yacht delivered last year should not be missed. Lying in Livorno and available for inspections. EDESIA was conceived on the drawing board of Stefano Righini and has a breath-taking contemporary and luxurious interior, truly the most beautiful Benetti Classic on the market. The main saloon is bathed in light and offers a striking yet comfortable ambiance and the master suite has a panoramic view continuing the use of glass and light to create that feeling of space. The foredeck area has been redesigned on this unique Benetti Classic to provide an incredibly spacious and sociable area.
