DETAILED INFORMATION

Vessel Walkthrough & Accommodations

The 480 Sea Ray Sedan Bridge offers plenty of luxurious living space indoors in the well-appointed cabin, and outside on the spacious command bridge, easily accessed via a molded stairway. OZONE III will surely be your home away from home with a spacious, comfortable salon, galley with dinette, and 3 staterooms and 2 heads. She will be ready for your first trip with the original fitted Sea Ray sheets, custom fitted spreads, towels, food prep and serving items, silverware, pots and pans and more. Cabinetry throughout has the cherry high-gloss finish with a neutral color scheme for the seating, wall and window coverings and carpeting. Carpet has runners to protect high traffic areas. The interior of this boat is in excellent condition.

With a fiberglass hardtop, full enclosure and separate dedicated bridge air conditioning, the command bridge is the perfect place for entertaining. Spacious U-shaped bench seating forward of the helm gives guests a spectacular view while enjoying refreshments and entertainment using the stereo remote control.

The bridge helm control console is large enough to house a tremendous amount of instrumentation, including a digital LCD systems monitor, engine digital gauges, navigation equipment, helm steering, engine controls, and switch panels for individual system controls. There are two fully adjustable captain's chairs that provide absolute comfort. The captain can pilot this vessel with total confidence, too. Technical features on the Sea Ray 480 Sedan Bridge are complete with a bow thruster, engine synchronizer, crossover fuel and charging system, 10 KW Generator with sound box, Glendinning self-winding power cable with wireless remote, plus a complete Raytheon electronics package and a Garmin 7212 color GPS Plotter. There is exceptional visibility from the helm to see the bow, the stern and all corners of the boat, affording easier docking.

The cockpit affords travelers easy movement throughout with molded fiberglass stairway to the bridge and molded steps port and starboard to the foredeck, sliding door access to the salon plus convenient transom door access to the hydraulic swim platform.

The salon is spacious and comfortable with built-in sofa seating with an electric convertible double bed. The Galley to starboard is fully equipped with appliances and ample storage, plus a dinette for four is opposite the galley to port.

Going down the steps to the stateroom companionway, immediately to the portside is the VIP guest stateroom with queen berth and private entry door to the guest head just forward. To the starboard side of the companionway is the second guest stateroom which has L-shaped twin berths that also function as a couch with their backrest

cushions. The starboard side stateroom also features a built-in combination washer/dryer. All the way forward in the companionway is the Master Stateroom with a centerline oversized berth and en-suite private head with an enclosed shower stall.

Salon

Salon Area: A tinted glass lockable sliding door allows access from the cockpit to the salon. The salon features a comfortable built-in L-shaped sofa seating that can convert to a bed with a touch of a button.

- Tinted lockable sliding door with screen and curtains
- Portside seating L-shaped sofa with electrically operated slide-out bed
