DETAILED INFORMATION

Vessel Walkthrough & Accommodations

Starting from the forward guest stateroom, there is an ensuite Head to starboard, sink with vanity and medicine cabinet. Also included is a "wet-head" shower. Plenty of light and fresh air is provided by an overhead hatch and two side windows. There is a cedar lined hanging closet to port with a second smaller locker next to it. Sleeping accommodations are provided by a V-berth with ample drawers and storage below. Moving aft we have a set of stairs that lift up for forward access to the engine room.

Up to the main Salon there is the lower helm station to starboard with a full set of electronics for traveling in less than perfect weather. Aft of helm is a day bar with liquor storage. Along the starboard side is a L-shaped settee with a GB teak dining table that can convert from cocktails to dinner for six. There is an entertainment center and storage to port, along with a port-side deck door. There is plenty of storage under settee and in the entertainment center.

On the portside is the full galley including an electric stove and oven. Large single sink, cream Formica counter tops, microwave and lot of storage for pots and pans and all of your cooking needs. Below is a Grunert refrigerator and another Sub-Zero Freezer aft of the port-side door. There is a large entertainment center with plenty of storage to port and a comfortable settee. One of the best features of Grand Banks is the large windows in the Salon providing natural light and ventilation. There are blinds throughout the Salon/ Galley. There is access to the engine room from the main salon with removable floor panels.

Going down three steps is the Master Stateroom. BEL CANTO features a double-sized berth on the starboard side with a single berth to port with a large 9 drawer bureau in between. There is an ensuite Head with a separate shower on the starboard side forward of the double berth. There are two hanging lockers to port. Access to the aft deck thru opening door - great for natural light and ventilation.
