# SPECIFICATIONS

---

## Overview

---

Hull #1 has been sold and delivered. New construction opportunity now available also with a flybridge

The new Cheoy Lee Global 104 offers tremendous interior volume, a tribute to the manner the vessel is built, from resin infusion, foam backed light weight stones, honeycomb cabinets and meticulous attention to detail, beauty that is not skin deep. This is the only vessel in its size range that artfully combines an on-deck master (with his and hers on the same level) with a country kitchen. 5 staterooms total plus 5 crew. Highly efficient and fast hull design allows impressive levels of speed and fuel economy. Tremendous interior volume competes with much larger yachts. Now available also with a flybridge!

- SUNBRELLA upholstered DRYFAST exterior seating
- Honeycomb cored cabinetry and partitions
- Raised panel cabinetry in guest areas

### Accommodations

---

A full tri-deck motoryacht, this new Cheoy Lee Global series model boasts superyacht credentials at a length of 104'. Clever design merges the convenience of walk around side decks with the comfort of full beam accommodations spaces to achieve the full benefits of both. Best demonstrated in the full beam master stateroom on the main deck forward, the room size and the views from the large hull side windows are unprecedented. Moving aft, the galley also utilizes the full beam of the yacht creating a space large enough to not only incorporate 18 feet of work top and a full range of galley appliances, but also a dinette able to seat 8 guests for informal meals. The full compliment of owners and guests can be seated at the 10 place dining table ahead of the salon on the main deck. There are two equally designed and equally appointed salons on the Global 104. The lower salon on the main deck flows through large slide opening doors to the 15 foot long aft deck, which in turns leads via twin stairs to the integral swimming platform. The upper salon aft of the elevated enclosed helm station leads to the sundeck fully equipped with a serving bar and provision for barbeques and other facilities for owners to personalize this primary entertainment area. Aft on the lower deck, there is self-contained crew accommodations for up to five crew in three cabins as well as a crew galley and dining area. Four guests staterooms are forward of the engine room, each with ensuite heads. Finish options in all areas can be selected from Cheoy Lee's wide range of stones, woods, fabrics and other materials, with the talented Sylvia Bolton on hand to guide owners through the process.
