SPECIFICATIONS

Overview

RARE!! 50 HRS ON A FRESHWATER NAVIGATOR!!! Very well equipped Bow thruster, upgraded single control Volvo shifter/throttles two driving stations, E120 Raymarine Chartplotter with Radar and Raymarine auto pilot Bridge refrig, Bridge grill and bridge extended rear seating are all great extras

FEATURES * Extended version of the 5500 offering slightly more comfort with a longer salon. * Three staterooms with two heads and separate shower stalls. * VIP stateroom features centerline bed forward. * Midship master stateroom features vertical ports for natural light. * Modern galley with plenty of storage, cooktop, convection oven, Corian counters, and much more. * Equipment room forward of engines accessed through galley sole. PERFORMANCE Navigator Yachts hull shape was designed with one thing in mind: make the best use of a minimum amount of fuel and horsepower, and retain the maximum amount of boat speed and efficiency. In doing so, Navigator created a wide hull shape that is stable at rest and at displacement speed, while achieving 30% less wetted running surface when on a plane. The result is a hull with much less drag, a significantly smoother ride, and far better fuel economy.
