SEA SPIRIT — RANGER TUGS Page 5 of 19

# **SPECIFICATIONS**

#### **Overview**

**SEA SPIRIT** is a like-new 2011, gently used 29-foot Ranger Tugs R-29 with less than 300 hours, shed kept out of the sun since new. She has sleeping accommodations for up to six adults, full galley equipment, a complete navigation electronics package with the economy and reliability of diesel power. She boasts plentiful head and elbow-room, Head with shower, and standard bow and stern thrusters for easy dockside maneuvering.

The Ranger Tugs R-29 is a comfortable family cruiser offering lots of cruising range, a smooth ride, responsive performance and all the features and equipment you need for a cruise that could last a weekend or go for months. Among the R-29's many noteworthy features are two private double staterooms plus a convertible dining settee that converts to a third berth; a fully-equipped Galley that's ergonomically arranged for efficient meal preparation; large view windows (5 that open) and five opening skylight hatches for outstanding light and ventilation. There's even a pilothouse door for immediate access to the foredeck, and a molded-in cabinet in the self-bailing cockpit for refreshment service and additional storage.

All this in an easy-to-operate, easy-to-own cruising vessel that feels a lot bigger than its dimensions. She received new bottom paint December 2013. If you are ready to cruise, SEA SPIRIT is too!
