# DETAILED INFORMATION

---

## Remarks

---

Queen B is a quintessential Tiara Yacht – an upscale quality yacht with a superior fit and finish that can perform the required task with grace whether cruising or fishing. In 2013, the current owner had the hull sides painted by the pros at Emerald Coast refinishers in an Alexseal metallic bronze with a burgundy boot stripe. Also, the cockpit upholstery was updated from plain white to a rich saddle brown in color. This one of a kind custom yacht simply looks gorgeous. A 5KW Westerbeke generator was installed in 2013 by the respected marine technicians at Two Tony's. This captain maintained small yacht looks and operates like new with only 175 original hours. She will not last being the ONLY LATE MODEL TIARA 3100 Open on the market and priced to sell quickly especially considering all of her recent high quality upgrades.
