SPECIFICATIONS

Overview

Pretty Penny is extremely well maintained, well equipped, safe & comfortable cruising catamaran. She is ready for extended cruising with twin Yamaha 9.9 four-stroke outboards (new in 05/2014) that are fresh water flushed EVERY time. She is a very capable extended voyager.

PDQ Capellas are not on the market for long, so call today for an appointment. She is located in Stuart, FL, just 45 minutes north of the West Palm Beach airport.

DETAILED INFORMATION

Introduction

PRETTY PENNY is in absolute gorgeous condition; you won't be disappointed. She is not the traditional white color that all the other 36' PDQ's are. She's more of a rich cream white. Definitely attractive! Note the custom Salon seating in the pictures. The seating is VERY comfortable and more "living room" like than the stock standard square seating. Yet very user friendly for table seating.

PRETTY PENNY will *NOT LAST LONG* on the market. Come see her and you will agree.

Cabin/Interior

- Teak & Holly flooring throughout
- Custom seating in Main Salon - Comfortable!
- Shelf Storage/ Main Salon

It is the responsibility of the Buyer and/or his Agent/Surveyor to verify engine hours, as well as, all other representations noted on the Listing Brochure.

Manufacturer Provided Description

PDQ stands for Performance, Dependability and Quality. The superb design creates a stunning, airy interior offering privacy, a gracious entertaining area, and two luxurious staterooms complete with queen-sized beds. She is ideal for single handling, perfect for family cruising, or two couples on a holiday.

Every PDQ is hand-crafted with custom fitted cabinetry, incorporating the finest cherry veneers, teak accents and three coats of varnish throughout. The PDQ36 is constructed of the highest grade 100 percent vinyl resins, biaxial knitted fabrics with Klegecell coring fused together under vacuum pressure. The yacht is built with tremendous structural integrity, designed for severe sea conditions. She has six watertight flotation tanks fore and aft offering unparalleled bouyancy and safety. All Sheets, halyards, and reefing lines lead to the protected cockpit, for ease of handling.

A PDQ will sit upright on her keels and rudders for convenient storage, a bottom scrub or beaching. The interior space equals a 45-foot monohull, while speeds can match a 65 footer. The fine hulls slice through the water with refined smoothness, making an easy 200 miles per

day. Reach destinations faster than ever before, enjoy the near absence of heeling, feel the confidence of great stability no matter how fast she's sailing.

The PDQ is designed for long distance voyaging. From skeg rudder protection to heavy-duty rig, the LRC is rugged, fast and functional. The Capella features twin Yamaha 9.9 4-strokes. There are safety bars at the mast, davits for the dinghy and much more. With the addition of our flexible aft cabin layouts (office, workshop, berths, or storage) this is the ultimate boat for true blue water adventurers.

Exclusions

Owner's personal belongings.
