# DETAILED INFORMATION

---

## Manufacture Provided Description

---

This, our flagship express cruiser, has been widely applauded, with her unique GRAN TURISMO specification, there is no doubt that she takes the Targa design philosophy to new levels. The most obvious cause of the excitement that surrounded the launch of this boat was the conceptual advance represented by the fabulous sliding roof system, with its accompanying Deck Saloon option.

European sportcruisers are usually defined by their sleek styling, spacious cockpits, and plentiful sunbathing capabilities, Throw in a power hardtop that completely encloses the teak soled cockpit and a lavish cherry wood interior with a full beam master stateroom and one might begin to accurately assess the Fair line Targa 62. A sleek profile only hints at the lavish accommodations and thoughtful amenities found aboard this muscular sportyacht. The retractable hardtop allows the bridge deck to be transformed at the push of a button from a completely open air deck to a fully enclosed and air conditioned salon. Her opulent three stateroom interior features a full width salon with a large overhead skylight, utility room with washer and dryer, and a state-of-the-art entertainment room in the main salon. The angled berth in the aster stateroom is accessible from three sides, and large windows set into the hullsides brighten the cabin considerable. Additional features include a tender garage, cockpit galley with fridge and barbecue, a huge foredeck sun pad and teak decks, Cat 1015 hp engines, cruise the Targa 62 at an honest 30 knots- impressive performance for a 60 ft boat.

## Salon

---

All 240 volt and 24 volt circuits protected by circuit breakers with main electrical load control panel in saloon. Isolating switches to all batteries.

- Ghost Monitoring system
- Sharp Flat screen TV
