Hull Material: Fiberglass

Hull Color: Blue

Engine Information

Engines: 2

Manufacturer: Volvo

Model: IPS600

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer's Description

Combining space with pace, the Portofino 48 achieves a remarkable interior plan, with a full-beam owner's aft suite with huge windows to either side. Forward, there's a clever VIP suite in which the double bed cunningly swings apart to create twin single berths. The central saloon sits at the heart of the accommodation and enjoys a mix of grain, bold lacquers and deep glass options. The boat's profile is sleek with a long expanse of foredeck topped by cantilevering sunpads. The cockpit features a smooth and neatly engineered radius, in which is a helm station with pilot seating, wetbar and full dining arrangement.

Features

Principal Features

Electric anchor winch with deck and cockpit controls
