Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

The three-stateroom, two-head layout (including laundry center) offers a choice of sleeping arrangements. The standard layout features crossover berths; the lower is a double bunk and the upper port side berth is a large single. A second plan that offers a custom queen berth is also available. On both versions, the master is fitted with a walk-around queen bed and a private head and shower. A third stateroom to port has upper and lower berths. The port and forward staterooms are separated by a shared head and shower. Ample storage is provided in the three staterooms with large maple-lined hanging lockers, credenzas, and deep drawer space, as well as storage beneath each bunk. A laundry center in the companionway is standard.

The salon is inviting and the area is well proportioned with a 17-ft. 6-in. beam. Relaxing or entertaining is easy with an L-shape lounge, a home theater system and a dinette. Amtico flooring complements the L-shape galley and an island fronted with a pair of bar stools. Rich Juno teak joinery and furniture throughout the yacht, along with custom designer furnishings, create a spectacular aura of refinement and luxury.

The 142 square-foot cockpit offers the convenience and comfort of Viking's exclusive observation mezzanine, while the flying bridge showcases the exclusive center console helm station arrangement with flanking lounges and forward seating.
