- Fridge in cockpit.
- Cockpit shower.
- Radio stereo CD.
- Complete canopy cover.
- White HH tonneau cover.
- Transport cover.

- Blue bimini in two parts.
- Instrument cover.

Broker's Comments

The Windy 25 Mirage is a miracle of sportiness, with fantastic sea-keeping qualities, providing speed in safety and comfort thanks to its precision Win Tech V Hull.

In 1999 the Windy 25 Mirage was awarded the Norwegian Design Council design award, and since then, has proved her quality of design time and time again.

This is a truly exceptional sports boat, reviewed by Motor Boat and Yachting as the best handling boat in the world !

Construction

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principals and more advanced construction production equipment, resulting in more cost-effective and quality oriented processes in-house. But above all, Windy is a "Boat Builder" and not a manufacturer of boats, a philosophy, which characterises their production staff and all those within their distribution network.

Lay-up Weights (Reinforcement Only):

- Deck - 8.7oz/ft² (2.65kg/m²)

- Topsides - 8.4oz/ft2 (2.55kg/m2) & Divinycell Sandwich Chine - 21.1oz/ft2 (6.45kg/m2)
- Bottom – 15.9oz/ft2 (4.85kg/m2) Keel – 22.1oz/ft2 (6.75kg/m2)

Deck, Cockpit and Superstructure

White GRP hull with blue hull stripe Windscreen with stainless steel surround Stainless steel guardrails and pulpit

Non-slip GRP cockpit sole & bathing platform.

Engines & Propulsion

- Volvo Penta KAD 44 (260HP); c. 630 hours at 20/11/14.
- Duo Prop outdrive.
- Volvo Penta EDC throttle control.
- Power steering.
- Trim tabs with indicators at helm station.
- Complete engine instrumentation.

Performance:

- Maximum Speed: approx. 42 knots.
- Cruising Speed: 33 knots.

Tankage

- Fuel tank (aluminium) – 66g (300 litres) – with gauge at helm station.
- Water tank (aluminium) – 15.5g (75 litres) – with gauge at helm station.

Accommodation

Summary of Internal Finish & Accommodation:

The same quality of finish is applied to the Windy 25 Mirage as on the larger Windy models. Cream head linings and bulkheads complement exquisite cherry cabinetry and finishings.

A full width V-berth/dinette is fitted to the Windy 25 Mirage with cushioned back rests fitted outboard of the berth. A mirror is fitted centrally on the forward bulkhead finished with a high gloss

cherry surround. The accommodation is lit with 12v halogen deck head lighting . Ventilation and natural light is also provided through a central deck hatch and bulkhead port lights. A manual marine heads is fitted under a retractable cover to starboard.

Domestic Equipment:

- Deck fridge mounted in cockpit sole.
- Pull out shower for transom.
- Sink with adjustable tap next to co-pilot seating.
- Fire extinguisher.

Description of Deck Layout from Forward
