Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Manufacturer's Description

Whether for weekend excursions or extended cruising, the Sea Ray 400 Sundancer is the one. The distinctive styling begins with the 400 Sundancer's mid-cabin, raised-helm design. A fiberglass sport spoiler with overhead lighting, generous seating arrangement, and portside wet bar make the cockpit an inviting place to pass time with friends. The 400 Sundancer is powered by twin 7.4-liter, 380-hp MPI Horizon MerCruiser V-drives. The large cockpit area has bench seating on three sides and a portside wet bar with faucet and icemaker, making it ideal for large gatherings. A transom door leads to the wide swim platform. At the helm, a double companion seat keeps company with the adjustable captain's chair. The built-in French toe-rail and through-bolted stainless steel bow rail make passage to the foredeck sure and safe. Below, the salon area features a curved sofa, perfect for relaxing before dinner; add the fiberglass table and it's a perfect dining spot. Later, it becomes the perfect sleeping spot for overnight guests. With central heat, air conditioning, and TV/VCR this is your home away from home. The Sundancer berth, or mid-stateroom, is a conversation area during the day and converts to a double berth at night. In the master stateroom is a full-size pedestal bed and a private entertainment center with TV/VCR. Cedar-lined hanging lockers and port and starboard vanities with cabinets below provide plenty of storage. With access from the salon and the forward stateroom, the master head includes a VacuFlush toilet, a vanity with sink, and full stand-up fiberglass shower. The guest head features a VacuFlush toilet and vanity with sink. Faux-granite countertops accent the full galley, featuring a full-size refrigerator - freezer, flush-mount three-burner electric stove and microwave, and convenience package with coffeemaker and blender.
