SPECIFICATIONS

Overview

This 2011 56 Maritimo has all the best equipment! "Rovon" has the upgraded Volvo D13-900 engines over 1000 gallons of fuel capacity for incredible range. The factory installed seakeeper gyro provides active stabilization while running and at anchor. Joystick docking simultaneously controls the engines, transmissions, the hydraulic bow and stern thrusters. Enclosed bridge opens easily to bring fresh air in. "Rovon" shows great! **March 2015- New Bottom Paint, Props Tuned & Volvo Annual Service Completed!**

DETAILED INFORMATION

Vessel Walkthrough

Step aboard the Maritimo M56 and marvel at it's space, luxurious fit-out and bright, breezy open plan layout. Wide opening saloon doors, easy cockpit/saloon access and ample sea breezes to the saloon and cabins will ensure your family a relaxed lifestyle in their home on the water.

The enclosed flybridge internal staircase leads to a climate controlled, weather protected saloon with extended aft balcony; complete with a sunroof. The hand-laid dynamic variable deadrise hull comes with a five year structural guarantee and solid shaft diameter with a low degree shaft angle to ensure thousands of hours of efficient and reliable running. Add to this the long range fuel tanks with its best in class fuel efficiency.

Salon

- Dinette with ultra leather upholstery and kickers and varnished occasional folding dining table - starboard side
- L-shaped lounge with ultra leather upholstery and kickers
- Framed sliding glass door to starboard walk around deck
