Speed, Capacities and Weight

Cruise Speed: 47.79369331 Kts. (55 MPH) **Max Speed:** 62.566289424 Kts. (72 MPH)

Displacement: 12600 Pounds

Water Capacity: 40 Gallons

Fuel Capacity: 300 Gallons

Hull and Deck Information

Hull Material: GRP

Hull Configuration: Deep Vee

Engine Information

Engines: 3

Manufacturer: Mercury

Model: Verado

Fuel Type: Gas

DETAILED INFORMATION

HIGHLIGHTS

PERFORMANCE Triple Mercury 300 Verados provide extremely reliable power. The twin-step, deep-vee hull, open center console efficiently and smoothly runs the water, while lightweight, composite structure and framework, refine balance. The likewise lightweight hardtop follows the vessel lines, while lowering the center of gravity and improving the Top Fish's aerodynamics. Mercury Platinum Coverage. **ARCHITECTURE** The hull's 10' beam expands Cigarette's traditional 8' beam, exponentially broadening the capacity for additional passenger space. The helm station denotes technological changes as an all "glass cockpit" provides extremely clear, easy-to-read and direct engine and navigational information, enabling the driver to focus on the water while effortlessly referring to the sizable touch screens. The controls have been functionally grouped, for intuitive location of switches or controls. A multi-layered, forward lounge in front of the console is extremely inviting and comfortable. U-shaped seating in the bow creates a conversational circle while the aft area has been further refined, offering facing seats for ease of entertaining and conversation. The new head and shower will surprise guests with its spaciousness and 6' headroom, and the abundant storage is practically-placed and easily accessed. **TECHNOLOGY** The new "glass cockpit" accommodates up to three Garmin 15" touch-screens and four Garmin GMI instrument displays. Garmin's top-of-the-line navigation systems, with electronic engine interface, demonstrate Cigarette's adoption of the newest technologies. Sound systems are paramount to onboard entertainment and Cigarette provides only the best quality components to stand up to the rigors of performance boating so you can enjoy music and the deep sound of the gutsy Verado engines. **DESIGN** Instantly recognizable as a Cigarette by its deck profile and radius line, the 39GT is versatile. The aerodynamic hardtop provides shade and aesthetics, blending with the boat's customized paint and upholstery. Seating arrangements have been diligently designed to provide comfortable spaces to ride and converse. Lighting is well-placed for driving, yet adaptable to a glamorous atmospheric glow at the dock or anchorage. Luxury lounging and comfort, combined with sports and exciting entertainment are the boating lifestyle elements around which Cigarette designed the Top Fish. Royally treating your guests while enjoying your days on the water make the 39GT your choice for the sporting life-Cigarette style.
