## Overview

---

ACTUAL is a state-of-the-art Multi 50 Racing Trimaran built in 2009 and designed to compete in the most prestigious trans-oceanic races. The ACTUAL project was born of renowned skipper Yves Le Blevec's love of sailing and competition; the aim was to create a trimaran that could compete with the most expensive trimarans in circuit. ACTUAL's hull is made of fibreglass sandwich epoxy, which renders her extraordinarily light, weighing merely 4.200 Kg. Under the command of Yves le Blevet, ACTUAL has won many races including Transat Jacques Vabre 2011 and the Vendée-Saint-Pétersbourg 2010.

## Basic Information

---

**Category:** Trimaran

**Sub Category:** Racing Sailboat
