- Teak & Holly sole, centerline
- Dripless shaft seals
- Hydraulic steering system
- Glendenning engine control system
- 2 - 8D batteries
- Generator/house battery
- Battery charger
- 110V outlet

Remarks

The TIN KNOCKER is exactly what you would hope to find in a professionally maintained vessel. She is very low time, lift kept and very lightly fished. Her Cummins engines have less than 500 hours of use and give her a very impressive 35kt top end. Cruise all day at an economical 28-30 knts. With 400 gallons of fuel, you have plenty of range for Bahamas fishing or wherever you want to take her. This boat is turn key in all respects and is a pleasure to show.

Owner's change of plans is your benefit.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
