The pictures show a very well cared for yacht, a personal inspection will prove it.

This yacht has been stored in one of the last remaining covered slips in NJ since the current owner has had her (1988) and it is very obvious. The brightwork is in top condition, the gelcoat has never been blasted by the sun so it looks like a much newer

yacht. If you are looking for a 46' Sport Fisherman, (that has never been fished,) you owe it to yourself to buy this boat and save a lot of money.
