Модель: D2B66LE405

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Manufacturer Provided Description

Comfort aboard the Bayliner 5788 Pilot House Motoryacht begins with its superior ride and handling. The hull's fine forefoot gracefully broadens to a hard-chine modified V-bottom to provide a smooth ride and sharp turns.

Twin MAN diesel inboards deliver quiet, assured power and efficient all-day cruising. Exterior decks allow ease of movement and plentiful lounge seating while the spacious cockpit provides access to a large boarding platform aft.

There is enough space for a tender up to eleven-feet in length.

The 5788's styling combines traditional ambiance and a dramatic contemporary line. Attention to detail and premium materials throughout - warm polished wood paneling and trim, solid-surface countertops, and wear-dated interior carpet complete an environment of luxury and lasting appeal. The main salon offers plenty of room for entertaining and has easy access to the pilot house.

The main salon affords a sweeping view from the ergonomically designed L-lounge complete with high - low cocktail table and ottomans. The 5788 includes a fully-equipped pilot house, and the privacy of three separate and gracious staterooms.

Accommodations & Layout

The mid-ship is the full beam master stateroom with large island bed, two large hanging lockers, two opening portholes, ensuite master head with tub and VacuFlush toilet.

Forward is the second guest stateroom with island bed, two large hanging lockers, two large opening hatches and four port lights.

Aft to port is third guest stateroom with over and under bunks, large hanging locker, and opening porthole. To starboard is guest head with stall shower and VacuFlush toilet.

Pilothouse has full control station with electronics, 'L' seating to port with table, port and starboard opening doors to full walk arounds. Starboard in the pilothouse is the stairs to the flybridge.

Cockpit door leads to the Salon which has L lounge to port with table and two stools, entertainment center to stbd with TV, stereo, SatTV, wetbar with Corian countertop and icemaker.

Forward hallway cabinet in forward guest area contains a washer & dryer.

Electronics & Navigation

Pilothouse:

- Furuno 48mi Radar
- Northstar 962 GPS/Plotter
- RayChart 611T
- Raymarine 650 Auto Pilot
- Standard Horizon Quest X VHF Radio
