# SPECIFICATIONS

## Overview

**SUNSHINE** is actually a 34' PDQ. The 34's the exact same deck and interior layout as the 36' but with steps built into the transom, instead of the 36' having molded in stairs with extended transom. She is well equipped, safe & comfortable cruising catamaran. **SUNSHINE** is equipped for extended cruising with twin Yamaha 9.9 four-stroke outboards that are fresh water flushed EVERY time. She is a very capable extended voyager.

**SUNSHINE** is now available for inspection. Call today for an appointment. She is located in Stuart, FL, just 45 minutes north of the West Palm Beach airport.

## Broker Comments

---

Staging decorating items are owned by Bartram & Brakenhoff.

## Manufacturer Provided Description

---

PDQ stands for Performance, Dependability and Quality. The superb design creates a stunning, airy interior offering privacy, a gracious entertaining area, and two luxurious staterooms complete with queen-sized beds. She is ideal for singlehandling, perfect for family cruising, or two couples on a holiday. Every PDQ is hand-crafted with custom fitted cabinetry, incorporating the finest cherry veneers, teak accents and three coats of varnish throughout. The PDQ 34/36 is constructed of the highest grade 100 percent vinyl resins, biaxial knitted fabrics with Klegecell coring fused together under vacuum pressure. The yacht is built with tremendous structural integrity, designed for severe sea conditions. She has six watertight flotation tanks fore and aft offering unparalleled bouyancy and safety. All Sheets, halyards, and reefing lines lead to the protected cockpit, for ease of handling. A PDQ will sit upright on her keels and rudders for convenient storage, a bottom scrub or beaching. The interior space equals a 45-foot monohull, while speeds can match a 65 footer. The fine hulls slice through the water with refined smoothness, making an easy 200 miles per day. Reach destinations faster than ever before, enjoy the near absence of heeling, feel the confidence of great stability no matter how fast she's sailing. The PDQ is designed for long distance voyaging. From skeg rudder protection to heavy-duty rig, the LRC is rugged, fast and functional. The Capella features twin Yamaha 9.9 4-

strokes. There are davits for the dinghy and much more. With the addition of our flexible aft cabin layouts (office, workshop, berths, or storage) this is the ultimate boat for true blue water adventurers.

## Exclusions

---

Owner's personal belongings.
