Hull Configuration: Planing

Engine Information

Engines: 2

Manufacturer: MTU

Model: 16V 2000

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accomodations

"Cristalex" was partially built in 2004, but only commissioned for the first time in 2006. She has been carefully maintained and constantly upgraded by her first and only Owner since new. From the aft deck you enter the lobby that leads into the spacious saloon and dining area forward.

To Port is a day head, whilst to Starboard is the side lobby giving access to the raised pilot house or down to the four guest cabins. Forward of the lobby is the large "Country Style Galley" that then gives direct access to the two crew cabins forward.

On the lower deck midship is the full beam master cabin with its own ensuite full beam bathroom. Forward are two mirror-image twin cabins, both with ensuites. Forward of the twin cabins is the VIP suite, once again with comfortable ensuite facilities.

The interior is finished in rich cherry wood, whilst the bathrooms and lobby are dressed in marble.

Main characteristics

General

BUILDER:	Azimut
YEAR:	2004

Refit maintenance details

- Yacht professionally maintained over the years by the crew. 2012: CRISTALEX spent 4 months in the shipyard. The teak has been changed on all decks, the swimming platform has been equipped with handles to facilitate the access and for safety. The polish was done. 2014: Cristalex spent 5 month in the shipyard and the exterior now looks amazing. 2015: Cristalex will go to shipyard to have gyro zero speed stabilizers.

Tender/Toys
