SPECIFICATIONS

Overview

The 2013 Tiara 3900 Sovran is one of the most sought after Sovran models on the market featuring IPS and Joy Stick Control. A forward centerline berth and privacy doors in the forward stateroom provide the space and feel of a large yacht. Aft from the open salon and fully equipped galley is a TV viewing area with two bench seats that convert to double berth. A privacy curtain separates this sleeping area from the salon creating a second stateroom. Entertain guests even on the hottest summer day with her air-conditioned helm area and full wet bar with refrigerator. This is a great opportunity and won't last long.
