DETAILED INFORMATION

Walkthrough

- The Viking 56' is an impressive yacht with powerful lines. It's lavish three-stateroom interior is an appealing blend of high-gloss teak joinery, designer fabrics, and luxury furnishings. Entering the salon through the electric opening door you will find the open salon with a full entertainment center, and comfortable L-shaped Ultraleather sofa. Forward to port is the dinette area and to starboard is the open galley. Down the companionway steps is access to the staterooms and guest head. The amidship master stateroom includes a walk-around queen bed, flat-screen TV, his and her hanging lockers with plenty of storage, and its own ensuite head. The VIP forward stateroom offers guests comfort with an island queen and head access. The third stateroom includes two berths for additional accommodations and its own head access. The vast 157-square-foot cockpit includes a large in-deck fish box, refrigerated step box, tackle center with sink and freezer, and a transom door with lift gate. The custom stairway makes the air-conditioned bridge easily accessible. There is plenty of seating in the flybridge where you can enjoy another area of the yacht in air-conditioning. Access to the bow from the cockpit is both safe and convenient with a bow rail that comes all the way aft. On the foredeck is a davit for a tender and a windlass that is easily accessible.
