SPECIFICATIONS

Overview

New Caterpillar engines with full warranty (5 Years)

Manufacturer Provided Description

With her efficient deep V hull and draft reducing propeller tunnels, the Princess puts previously unexplored cruising grounds within easy reach. Faultless sea keeping, power assisted hydraulic steering, a bow thruster and electronic engine controls ensure straightforward handling at close quarters and unrivalled performance at speed. The saloon is light and spacious, with large panoramic windows and below, the wide beam provides accommodation on a grand scale for eight, plus two crew. With its highly sociable layout, the flybridge features every amenity to thoroughly enjoy outdoor living. For long-distance cruising and the ultimate in outstanding performance, class leading design and exceptional sea keeping, the Princess is at the cutting edge.
