SPECIFICATIONS

Overview

Sea Fever 2 is an exceptionally well maintained vessel completely equipped to step aboard tomorrow and sail away from the lovely town of Punta Gorda in southern Florida. Her cleanliness on deck and below is immaculate. What varnish work there is glistens. The seller has new plans for journeying and seeks a prompt sale within 90 days for someone who wants a nearly "perfect" boat ready to go. These boats have a proven performance record and superb cruising abilities. Everything from generous air conditioning to even an electronically controlled swim platform with swimming ladder will be there for your enjoyment.

DETAILED INFORMATION

Overview

Sea Fever 2 is an exceptionally well maintained vessel completely equipped to step aboard tomorrow and sail away from the lovely town of Punta Gorda in southern Florida. Her cleanliness on deck and below is immaculate. What varnish work there is glistens. The seller has new plans for journeying and seeks a prompt sale within 90 days for someone who wants a nearly “perfect” boat ready to go. These boats have a proven performance record and superb cruising abilities. Everything from generous air conditioning to even an electronically controlled swim platform with swimming ladder will be there for your enjoyment.

Layout

All the way forward is a full double berth, adequate locker and drawer storage space all surrounded by above average joiner work throughout the cabin space. Moving aft is the main salon with settee berths port and starboard separated by a folding fore and aft dining table. Further aft to port is a commodious bath featuring a separate stall shower. To starboard of this is the galley including a Force 10 gimbaled stove with oven and broiler along with 12/110 volt refrigeration, hot and cold pressure water with stand by fresh water pump and a built in trash bin all surrounded by Corian counter tops. All the way aft is the aft cabin including a 78”x 60” double berth. Forward of the aft cabin is the very easily accessible spotless engine compartment. The engine compartment is also served by side viewing panels. Just forward of the galley immediatly adjacent the companion way is the navigation station.

Moving aft into the cockpit there are fore and aft port and starboard bench seats with access to a very large storage area on the starboard side. The wheel steering and raised instrument panel are well placed for ease of navigation. All the way aft through the transom is the electrically operated swim platform including an extensible swimming ladder.
