SPECIFICATIONS

Overview

AVRA was recently detailed and custom ordered by her one owner Captain. She is a one of a kind 348 Vista. Loaded with the bulkhead option and privacy door separating the MSR from the salon. She shows above average for her age of 9 years, and only 400 hours of use, 140 hours on her generator with sound shield. Interior is immaculate and has had a recent air conditioning/heat upgrade. The engine room and bilge area are very clean. This boat is powered by the largest power offered by Crusader at the time of her build, fresh water cooled 6.0L Crusader inboards controlled with the single lever electronic shifts. She has a full array of Raymarine electronics, including Radar, GPS / Chartplotter, 2 depth sounders, VHF, Autopilot., remote spotlight, windlass, cockpit refrigerator. Additionally the current owner opted to add the Flexiteek at the helm, in the cockpit, and on the swim platform. A Raymond C. Hunt design provides a great ride. Compare fit and finish, ride, and engine room to any express out there This Four Winns is one of the best express cruise models on the market and is a must see. Bring offers!!!

DETAILED INFORMATION

Manufacturer Provided Description

Feast your eyes on the 348 Vista. Even at rest, this beauty looks like it's in motion. The profiles and accent lines say elegance. And that's only the beginning. Enter the cabin, and you may never want to leave. Exquisite cabinetry graces the entire environment. The head compartment is major step ahead of anything ever seen in a Vista before. Available in either twin stern drives or twin inboards and in gas or diesel power, the 348 Vista will be turning more than heads. It will turn the direction of cruiser design.
