## Overview

---

This 2015 Viking 42 Sport Coupe is big on accommodations and performance. This smaller model offers big Viking features like a fiberglass deckhouse, which is fully open to the cockpit while incorporating stylish enclosed bridge convertible window lines. Enjoy a twin mezzanine cockpit, along with a full bridge deck and a center console station helm pod with flanking lounge seating.

An inviting interior offers teak joinery, a master stateroom forward, and twin berths aft separated by the salon, the head and galley. The responsive and sea-kindly Viking 42 resin infused hull is powered by 600 HP Cummins QSC diesels and the articulating Zeus pod-drive propulsion system with joystick controls. Eclectic style along with superb running characteristics make this new model one exciting Viking!
