## Overview

---

Launched in 2009, this 40 meters Mondo Marine motor yacht is particular indeed, with its own mood, character and requirements to the owner.

Forming its own independent identity, Maestro of Gibraltar suits those who appreciate conciseness with attention to details and quality that speaks for itself.

The general concept is based on a traditional layout for the interior arrangements and on the neo-classic style for the decor: the owner's stateroom, with a comfortable office, is on the forward full body main deck side, while astern you can find a vast salon with dining room. A large modern galley is also situated on the main deck portside (the side traditionally reserved to the crew). At lower deck there are two VIP staterooms plus two further guest cabins. On the upper deck is the wheelhouse and the captain's cabin adjacent.

precious marbles and Alcantara ceilings giving emphasis to the classic ambient and warm appearance. The use of light woods for the salon and dining room floorings include Italian Walnut and Mediterranean briar wood for furnishings.
