DETAILED INFORMATION

Overview

Built and delivered in late 2013, SOLSTICE is a one-owner yacht from new, maintained daily to a meticulous standard. She boasts extremely low hours and IPS Pod drives for responsiveness, performance and exceptional maneuverability. She features an extensive list of additions which include a 'one-of-a-kind' custom stainless steel hydraulic powered Bimini top. A completely customized sound system allowing you to switch zones between salon, aft deck or fly bridge, her OCEAN LED underwater lights add to the evenings fish sightings and with the added security system, you will sleep peacefully knowing your Captain will be notified of anyone coming onboard. Featuring Custom Royal Pedic mattresses as well as custom linens and bedding for the ultimate in comfort. High Definition Satellite Dish Network TV keeps you informed or entertained and a Williams 385TJ jet tender sits on her hydraulic swim platform ready to zip you to those remote beaches. The spacious flybridge is equipped with a wet bar offering a BBQ, ice-maker and drinks refrigerator making for another great entertaining area. Finished with a stunning blue hull, sleek lines and a graceful profile, Solstice combines modern luxury with ultimate performance that is ideal for entertaining and extended cruising with family and guests. Solstice is extremely versatile and is in impeccable condition. Having just completed her annual dry dock maintenance with 2015 Volvo Engine updates per manufacturers recommendations, 2015 Teak deck warranty and with new bottom paint, new zincs and prop speed tuning. She is ready to go! Currently available for inspection in St. Thomas, USVI.

Accommodations

Starting from her hydraulic lowering swim platform, she has teak sole stairways to each side to the main deck cockpit. The cockpit and stairways have a teak plank sole, as do the stairway leading up the starboard side of aft deck to fly bridge. Walking up to the fly bridge also has teak plank sole. When you arrive on the fly bridge there is an island on its starboard side aft of the helm with icemaker, drink cooler, sink with hot/cold tap and electric barbecue under lifting lid (an additional receptacle was added for a blender). Forward of the island, to starboard, is the helm with helmsman and companion pedestal seats with lifting knee bolsters. To port of the helm are double-wide sun-pad cushions with adjustable back supports. Aft of sun pad is bench seating along port coamings. Aft of forward port side bench seat is U shaped aft bench seating around an adjustable pedestal table. Storage areas beneath all bench seating provided.

The aft deck has an adjustable, folding teak table with a forward facing cushioned seat, extra seating is nearby with four additional teak folding directors chairs. A teak sole and a sliding glass doors, give you access to the main cabin. Teak steps lead up to side decks. Side decks have safety railing running their perimeter to bow.

The bow has large sun pad with back supports amidships, anchor lockers and anchor pulpit with windlass. Large forward facing and side windows provide excellent lighting for salon and visibility for pilothouse helm station. The cabin is accessed either through aft cockpit sliding doors, or starboard side pilothouse door. On the transom is lifting door to starboard to access the crew's stateroom, which has a double berth and its own head with shower wand and head.

The transom also has a large trunk storage area, with lifting hatch amidships. There is a shower wand on the starboard stairway, and swinging gates to both stairways from swim platform.

The main cabin has its entertainment center to starboard side aft. Leather couch along starboard side and U shaped leather couch along port side. A queen berth, and head with separate shower enclosure, mirrored vanity and storage areas beneath sinks, amake up the remainder of the Master. Cabinets provide storage for bar glasses and other storage. Forward is the VIP stateroom with Queen berth in Vee berth and it's own head and shower. Two more stairs down lead to companionway, which has port bunk cabin and starboard with two singles, a head is to starboard side and services both of these cabins stateroom,

Bench seating provided for dinette table. Forward of dinette is helm with helmsman and companion 24V powered, pedestal chairs with foot rests. The galley is to port side with teak sole, U shaped island granite counters, storage drawers and pantries, stovetop, microwave and stainless steel sink. Forward of galley to port side are teak steps leading to accommodation areas. Main electrical panel above steps and Freezer below. Teak steps lead to companionway.
