SPECIFICATIONS

Overview

This beautifully maintained and loved cruiser is ready to sail away to the Bahamas, The Florida Keys, the Caribbean or wherever you want to go with a proven hull design and generous accommodations. The owner has made a few modifications that make it even more special.

Endeavor boats are built for exploring and sailing in areas that may have shallow waters with a heavy 8,000 LB of ballast on just a 4ft 6 in draft.

With a proven record of a solid build and a roomy layout, these boats are a good, low upkeep, comfortable boat that will serve the owner well for many years to come.

The current owner of this boat is an accomplished sailor and has sailed the Caribbean and the Little Florida Loop in complete comfort and safety.

The owner has made a few modifications that make this boat even more special. There is still time to sail this boat to the Bahamas and the Caribbean this winter. All you need to sail away is food and drink!
