SPECIFICATIONS

Overview

37' Silverton Convertible

"Doctor Hook" sleeps (2) in the forward custom double berth, (2) on the convertible dinette and (2) on the salon convertible couch for a total of (6). The forward berth offers a wardrobe locker, overhead opening for deck hatch with screen and is AIR CONDITIONED!!

Layout from Bow to aft is as follows:

Captain's double berth, head aft port side, dinette seating starboard side, galley port side,

Salon then out to cockpit.

Clean lines, a roomy interior and an attractive price made her one of the most popular boats in her class during the 1980's and she is still as popular today. Unlike many other convertibles this size, she came with a single stateroom floorplan including a CUSTOM double owner's berth, with a full size dinette in place of a second stateroom. Her salon is completely open to the galley in this layout and wraparound cabin windows admit plenty of natural lighting. She has a stall shower in her head and light oak paneling is applied throughout her interior. She has a space efficient layout. Her cockpit is large enough for a couple of anglers and her flybridge is arranged with guest seating forward of her helm. She is an inexpensive opportunity and one that you should explore.
