Min Draft: 4' 11" (1.50m)

Speed, Capacities and Weight

Max Speed: 8 Kts. (9 MPH)

Displacement: 35999.28276198 Pounds

Water Capacity: 196.80817874 Gallons

Holding Tank: 80.57247586 Gallons

Fuel Capacity: 138.6903273 Gallons

Accommodations

Total Cabins: 2

Total Berths: 5

Total Heads: 2

Hull and Deck Information

Hull Material: Aluminum

Deck Material: Teak

Hull Configuration: Centerboard

Hull Designer: Gerard Dykstra & Partners

Engine Information

Engines: 1

Manufacturer: Perkins

Model: M65

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Broker's Comments

Very much in the classic style by Gerard Dykstra from her beautifully rich and warm interior, varnished superstructure, blue hull with overhangs she looks the business.

Despite her classic looks the Schouman very much delivers a practical cruising with an easily managed self tacking rig. The hydraulic centre board and twin rudders enabling to reach those out of the way places.

Exceptionally well-maintained by a skipper and wintered ashore in a heated storage.

The teak decks were fully refurbished during 2011

Construction

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) and is Categorized B

Hull, Deck & Superstructure Construction:

- Aluminium hull, teak deck.
