## Accommodations

The forward cabin is deceptively large, with two hanging lockers opposite the head, which has a shower, sink, commode and good storage.

The saloon features a straight settee to port and a convertible double to starboard, which drapes around the table. Both make excellent sea berths, especially the starboard double with the table serving as a leeboard. Deep shelves behind the settees, with fiddles designed to keep everything in place, swallow up books and small items. The chart table is to port, with a quarter berth behind. The galley is to starboard and is set up for preparing a meal at sea. Deep stainless sinks face forward, and the stove is outboard. The fridge/icebox faces aft.

The interior arrangement is just about perfect for a cruising couple,
