SPECIFICATIONS

Overview

This Pursuit 3070 Offshore has All The Amenities of Most Larger Offshore Sportfish Yachts!

Including The New Yamaha F300 4 Stroke Outboards with 3 Years Warranty.

The Pursuit 3070 Offshore combines Express-style features with outboard power, creating a handsome, rugged performance package just as comfortable in open seas as it is cruising inland waters. The upper deck is centered by a custom welded, brushed aluminum windshield, stylishly designed, fully functional from the bridge, and complete with ventilating side windows. A wide, flush deck walkaround area enables easy access from the spacious cockpit to the forward bow. The ladder back helm seat is electronically controlled and conveniently located starboard, allowing a central entry to the cabin. A portside L-lounge is designed for relaxing and taking full advantage of the entertainment center, with optional icemaker, aft of the helm. An electronic lift of the bridgedeck reveals access to a lighted rod and gear storage area. The top deck is finished with cockpit coaming bolsters, a retractable rear lounge seat, a generous cooler aft, an insulated livewell, and a floor-mounted fishbox with a macerated overboard drain, and a practical transom door. The cabin features a teak dinette-style table and seating configuration with a cozy V-berth forward and a smaller diagonal berth amidship with storage beneath. The galley is complete with Corian counters, a microwave, an AC/DC refrigerator, and a stainless sink. A full, stand-up shower, vanity mirror and storage, plus a fully framed door are features of the VacuFlush head compartment. Teak and maple flooring throughout and decorator fabrics finish the 3070 interior with elegance and functionality.
