## Overview

---

This Beneteau First 42s7 "Emerald" offers a great opportunity to own a solid, performance cruiser. When ordering the 42s7 new from the factory you had the option of outfitting the boat for racing or cruising. Emerald was outfitted as a performance cruiser.

***The First 42s7, the product of experience gained through the First 45f5 and the First 53f5, is also the result of intense research in terms of quality, performance and comfort. From the structural inner moulding laminated on the hull, to the hull/deck joint, the most important words are strength and reliability. Whatever your preference, 2 or 3 cabins, Pear or Cherry finish, the warmth and efficiency of a Philippe Starck interior awaits you. There's no doubt, your First 42s7 combines both science and performance, the enjoyment of life on board and the mastery of technology, giving you the greatest possible pleasure for sailing long distance in comfort... and fast!***
