DETAILED INFORMATION

General Description

This 4400 Sovran has A gelcoat outer layer, high-performance tie-coat quadaxial fiberglass, balsa core, epoxy resin, and vacuum bag technology lay the groundwork for a yacht that's unsurpassed in quality and simple quiet elegance. The long, sweeping deck of the 4400 is constructed with a gelcoat outer layer, hand-laid fiberglass and balsa core with vinylester resin.

The beautifully crafted, custom-curved composite windshield is seamlessly integrated with the hardtop. Behind the composite windshield, incorporates a hinged helm console, with full engine instrumentation and an admiral full double-wide helm seat which is adjustable forward to aft, up and down. Intuitive design plus time-tested placement of gauges, throttles, and controls, ensure that being behind the helm is akin to a ride on cloud nine.

The aft offers a standard swim platform with extra 52". This extra space provides room for a personal watercraft, an inflatable dinghy, and / or plenty of room for family and friends to enter and exit the water on a diamond patterned non-skid surface. Rear storage space is built-in and accessed through a hydraulically actuated fiberglass hatch.

Belowdecks, she features plush leather seating, Corian countertops, stainless steel sink, abundant storage, and a built-in 22-inch flat screen TV with DVD technology. The lounge features a folding birds eye maple / teak table which converts to berth, increasing sleeping accommodations to six. The master stateroom boasts a queen-size pedestal bed, with spring mattress, and storage below. The second stateroom comes with two overlapping, bunk style beds. The second stateroom also has it's own access to the head.

Exclusions

Owner's personal belongings.
