DETAILED INFORMATION

Yacht Introduction & Description

This Sessa Marine Flybridge 54 is offered in factory new condition. Full time Captain means the yacht is in excellent condition, turn key and ready to cruise. The Sessa brand describes their yachts as having a design that moves in the space between art and inspiration. A tried and tested large-scale product where elegance and practicality are right at home. The concept of Flying is a revolutionary one thanks to new solutions, fluid lines, playful lighting, attention to detail, a honey environment. The upper deck, perfectly integrated into the boat's profile, represents the focal point of life on board thanks to its spaciousness and carefully chosen furnishings. Inside, the rare overtones create a warm atmosphere with a domestic feel.

With the undeniably nautical behavior of its hull, specially designed for IPS transmission, the Fly 54 is fast, dependable and graceful. The FLY 54 is the first flying-bridge to offer an IPS engine. Thanks to the joystick mounted on the outside control cabin, using bow thrusters is no longer a necessity.

Inside you find walnut floors and furniture, leather detail, refined fabrics create an elegant and welcoming atmosphere. The cabins are accessed through an immense atrium that when descending, opens onto a wide L-shaped kitchen that just radiates light. Located in Gold Coast Marina, this yacht can be transferred with berth and Marina Club debenture offering an ideal opportunity to not only be a yacht club member but have a high performance cruiser ready to go at any time.
