SPECIFICATIONS

Overview

*****New bottom paint 10/2014 ***Drive Shafts re-aligned 10/2014 ***Re-packed Cutlass bearings!! 10/2014** This 1988 Sea Ray 340 is a great boat for overnighting, fishing, and cruising. She has a wide 11'6" beam with a spacious cockpit with room for 6 guests to sit comfortably. Her cockpit includes a wide Helm Seat, back-to-back, port-side passenger seating, and an aft bench seat. At the Helm there is a Garmin panel with depth sounder and GPS and an iCom VHF radio connected to the Garmin panel for MMSI directory listing/calling. There is plenty of cockpit space for fishing or just relaxing. This 1988 Sea Ray 340 has a stable and dry ride and her twin 7.4L mercruiser inboards enable a 26MPH cruise speed at 3200 RPM (with Fuel burn at ~1mpg!) and top speed of 40MPH at 4600 RPM (WOT). Along with a 6.5KW Westerbeke genset with 432 hours.

Cabin

The boat's cabin interior is in very good condition and all her appliances are in working order. Her spacious interior comfortably accommodates 4 adults for overnight cruises. In the galley, you have all the amenities of home with a refrigerator, separate freezer, built-in coffee pot, microwave, three burner electric stove and central vacuum system with a hose that reaches the cockpit area. The dinette seats four adults and folds into a bed to sleep two adults. The A/C unit with automatic temperature control (new in 2009) keeps Island Soul cool in the summer and warm in the winter.

Additional Information

This boat was purchased by the current owner (third owner) in 2009. Since then, the boat has been hauled out every 6 to 8 months for maintenance and upgrades. The most recent work included a complete overhaul of both engines. The original engines and transmissions were replaced in 1997. These newer engines and 7.4L Gen VI with Borg Warner 5000, down angle transmissions (1.5:1). The engines had 585 hours at the time of overhaul and now have 6 hours since major overhaul. All engine work was performed by a certified mercruiser technician. All receipts are available upon request. Without buying new, these engines are as close to new as you can get. The engines were disassembled down to short blocks and every part cleaned, primed and painted with Black AwlGrip OR replaced as needed. The list of repairs and parts include: Maintenance Items - May 2013 Port Engine (7.4L Gen VI - 340 HP) New "Mercury" freshwater exhaust manifolds and risers New starter New circulating pump New Seawater impeller New timing chain New motor mounts New Engine Oil Cooler Valve Job - Heads removed, cleaned, valves refaced, & tested All new gaskets (oil pan, timing cover & new seal, head gaskets, intake manifold, valve cover gaskets) Heat Exchanger cleaned and tested New spark plugs (Rotor Cap, rotor, sensor, and ignition wires inspected - replaced in 2010) New Oil and Fuel filters Oil changed New Coolant New Motor Mounts All engine hoses cleaned, inspected and replaced where required Starboard Engine (7.4L Gen VI - 340 HP) New "Mercury" freshwater exhaust manifolds and risers New starter New circulating pump New seawater housing and impeller New timing chain New motor mounts Replacement Gen VI Heads installed (Reconditioned and tested) All new gaskets (oil pan, timing cover & new seal, head gaskets, valve cover gaskets) New Heat Exchanger New Fuel Pump New spark plugs (Rotor Cap, sensor, and ignition wires inspected - replaced in 2010) New Oil and Fuel filters Oil changed New Coolant New Motor Mounts All engine hoses cleaned, inspected and replaced where required Both Transmissions Stripped, primed, and painted with Black AwlGrip Transmission fluid replaced Running Gear New Propeller shafts installed New Cutlass bearings installed Stuffing boxes stripped, primed, and painted with AwlGrip with new packing installed New Shaft Log hoses installed Mufflers removed, inspected, and painted Muffler platforms removed and repainted with gray epoxy Bilge New Primary and Secondary fuel filters installed Bilge cleaned New Battery installed for Generator Bonding and ground wires inspected and replaced where necessary Exterior New Bottom paint (including running gear) Hull polished and waxed.
