Model: Yanmar

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

This absolutely pristine 2006 Mainship Trawler is feature-rich with its cutting edge styling and best-in-class accommodations. With a 3'4" draft and 15 foot bridge clearance, this modern classic cruiser is a perfect yacht for the Great Loop, short and long distance Intracoastal travel or for just hanging on the hook.

She features a terrific galley, roomy stateroom with center island berth and large head with separate shower. Her expansive salon includes **optional** teak & holly flooring, a pull-out sofa sleeper, rich cherry joinery, large windows with wood blinds, abundance of ambient light, loads of storage capacity and the much sought after **Twin Yanmar Diesels** and lower helm.

Topside is an impressively large flying bridge fully enclosed with **new crystal clear four sided isinglass enclosure**, 3 helm seats and wrap around side seating. The aft bridge deck features a large open space with safety rails and **new dunnage box** as well as a radar/antenna mast. Down molded stairs to the cockpit with covered walk around side decks.

Her upgraded and much sought after twin Yanmar 240hp diesels (420 hours) will provide an easy cruise of 8-9 knots while sipping fuel and a cruise speed of 14-15 Knots. An 8kW Kohler generator (435 hours) with sound enclosures provides quiet electrical power while underway. Docking is easy with optional twin engines and bow thruster.

She has been superbly cared for and professionally maintained since new.

Accommodations

Master stateroom with island queen berth, an overhead hatch, port and starboard port holes and a large dual cedar-lined hanging closet. Moving aft, to port is a full dual entry head with enclosed shower. To starboard is the full galley. It includes a two burner stove, microwave, dual voltage refrigerator, pullout trash receptacle and Corian countertops. Up two steps is the spacious salon and lower helm station. The salon has oversized windows which allows for a bright and airy feeling. It has a convertible sofa, high/low table, 2 custom chairs, 2 barrel stools, breakfast bar and a wall mounted flat screen TV/DVD Player (new 2013).

Salon

From the aft cockpit step through the split double doors into the salon. You will immediately notice the beautiful teak and holly flooring and the very open and bright panoramic views. Sitting anywhere in the salon will provide outstanding waterway views. Open the double cockpit doors and sliding windows and you bring the wonderful water breezes in for additional enjoyment.

Double freedom opening doors to cockpit with screen Privacy curtains for cockpit doors Two palace breakfast bar stools Two custom chairs Convertible ultraleather salon sofa Halogen lighting Flat Screen TV/DVD **Upgraded 2013** AM/FM/CD Stereo w/ blue tooth **Upgraded 2013** Stereo Speakers Upgraded 2013 Teak and holly Everwear sole **Option/Upgrade** Cherry cabinetry with satin finish Marine Air 16000 BTU reverse cycle heat and air conditioning **New 2014** Hi-Lo custom salon table Custom bamboo window blinds Full lower helm station Starboard access door at lower helm

Galley

The galley is forward and down two steps to port from the main salon. Open to the salon with huge amounts of natural light. The galley area remains airy and a part of the entertainment activities taking place in the salon. Included is ample cabinet, drawer, and in-floor storage space.

Nova Kool dual voltage refrigerator and freezer Sharp carousel sensor 1100 microwave oven Princess two burner stove Large stainless steel sink basin Designer faucet Breakfast bar Cherrywood cabinetry Corian countertops with backsplash Recessed trash bin receptacle Drawer storage Cabinet storage Teak and holly Everwear sole upgrade Hot and cold pressure water Dry goods storage under floor

Master Stateroom

Stepping forward, the private master stateroom has a centerline queen sized island bed with walk around access on both sides. Abundant storage throughout. Entry to the head and shower is made exceptionally easy.

Forward cabin with privacy door Queen centerline island berth with custom innerspring mattress Custom bedding, pillows and shams Dual cedar-lined hanging lockers Private access to head 2 stainless steel ports Port screens Opening overhead hatch with sun shade Marine Air 7000 BTU reverse cycle heat and air conditioning Two high intensity reading lights Drawer storage beneath berth Berth lifts for additional storage
