SPECIFICATIONS

Overview

- This well maintained 340 Hunter sailboat presents endless possibilities.....Sailing for the day, weekend or cruising down the coast.

With a furling main and jib, and all lines leading aft it is easy to single hand but with the spacious cockpit area it is a pleasure to sail with a group of friends.

There is plenty of seating in the main salon. Storage is abundant and two private staterooms.

Description

Whether sailing for the islands or just around the buoys, the Hunter 340 can really make a difference. Starting with the tall, fractional rig, Hunter has engineered the mast to carry less weight aloft with smaller sections. This is accomplished by utilizing swept-back spreaders and reverse diagonals as well as mast support struts. This combination provides superior strength without a backstay and increases the stability at the same time. By using a large roach main as the power sail, Hunter has eased the effort in sail handling and provided real versatility for all wind and sea conditions. The deck layout reflects the innovation that accompanies the rig. An integrated arch protects the cockpit from snapping main sheets

and blistering sun (with an optional bimini). This arch keeps the cockpit clear and open, where a custom console stands ready with the standard VHF and instruments. Single lever control and fold down table, along with engine instrumentation, complete the command station. The swim platform and walkthrough transom complete with shower and folding ladder are perfect for water sports or for boarding the tender. Storage abounds, and the non-skid is absolutely first-rate. Comfort is truly important whether one is on the boat for a week or a year, so Hunter has created an interior that not only looks good, but works well. Two private, large staterooms along with an enormous head with shower, a salon that can seat eight, and a gourmet galley will keep all the crew happy. Hunter Marine's keel boats are the backbone of the Hunter fleet. These spacious and comfortable cruisers are incredibly appointed from the rich fabrics to the top-grade hardware.

Walk Thru

As you come down the teak ladder into the main salon the large L shaped galley is to port. Well equipped with dual stainless steel sinks, stove, oven, microwave and refrigerator. The head is to starboard. The head is spacious and well equipped with a large vanity, marine head and shower area.

The nav station is located just forward of the head. Moving forward from the galley and nav station you come in to the main salon. The main salon features a large drop leaf table to port with plenty of seating for you and your guests and a settee to starboard. Continuing thru the main salon you come to a stateroom with v-berth with hanging locker, plenty of storage and a louvered pass through.

Aft of the galley is the master stateroom. This stateroom has a queen berth, opening ports, hanging locker and more storage.

Brokers Comments

Hunter has gained a reputation for being very spacious and well laid out below and being easy to sail above. This is certainly no exception. With an almost new furling main, it is ready to go sailing. You really need to see this boat.
