# DETAILED INFORMATION

---

## VESSEL WALK-THROUGH

---

SPECULATION was built as a 65 footer and had a 9' extension. She is now 74 feet with a large aft deck and a much larger master stateroom. When she was built, she was the most highly customized Hatteras to leave the factory. Some of these features include VIP queen forward, VIP Queen amidships and crew stateroom to port - all with ensuite heads. Other notable features are walkaround side decks, on deck head, custom galley, two elevators (lifts) to the bridge and master stateroom. SPECULATION was also built with a custom walnut wood interior.

SPECULATION has spent the last eight years on the Great Lakes and is now in Florida to be sold. The boat is undergoing a cosmetic refit and will be ready for a new owner and many more years cruising.
