SPECIFICATIONS

Overview

Most visitors to the Abacos fall in love with the Albury runabouts and those that gain ownership of an Albury 23 become part of a special tradition - almost an exclusive club. Generations of boat building experience have taught that simplicity and seaworthiness are the keys to providing the safest, smoothest ride in the islands and the 23 delivers just that, wherever her home port may be. The strong, hand-laid hull is rated for 250 hp and reaches speeds of 40 mph or more with ease.

Basic Information

Category: Center Console

Model Year: 2005

Year Built: 2005

Country: United States
