DETAILED INFORMATION

Overview

Mariposa is a 40m triple deck luxury motor yacht featuring a modern, clean lined interior and beautiful use of natural materials. She accommodates up to ten guests in five staterooms including a full beam master cabin on the main deck with two VIP and two twin guestrooms below.

Her steel hull and superstructure are powered through the water by two MTU M70 engines with an impressive 3500nm range making Mariposa an exciting ocean going vessel.

Interior

The main salon is filled with natural light. The use of American Walnut, high quality leather, granite and brushed stainless steel with minimal use of textures gives an asymmetrical balance and amplifies the space of Mariposa. A large, well-equipped cocktail bar services the main salon and with easy access along the port side to a spacious galley, the salon provides a comfortable yet elegant setting to host dinner parties.

The modern design continues throughout the yacht with leather hand-railed stairs leading down the starboard side to the guest rooms on the lower deck.

Accommodation

Entering the master stateroom on the main deck there is a small office area with desk on the outboard side and a cleverly disguised walk-in closet opposite. The stateroom has a flush mounted TV, Bose surround sound, two person sofa and en-suite granite bathroom that features a large rain shower.

Each stateroom has a full entertainment system and recessed lighting gives each bed a floating appearance.

Two aft queen cabins with ensuite bathroom containing showers toilet and bidet, marble throughout. Each has a couch facing the TV on the outboard side and a work desk underneath the TV.

Two forward twin cabins, ensuite shower room with toilet and marble throughout.

Skylounge

Aft of the pilot house is a large sky lounge with cocktail bar, day head and wide windows create

an idyllic panoramic view.

A/V equipment

Sony TVs all equipped with DVD Players Astra and Hot Bird throughout Panasonic telephones Bose sound systems in main salon and skylounge

Galley

The spacious galley is fully equipped with Miele oven, dishwasher, electric BBQ, wine cooler, fridge, freezer, oven and microwave. It has access from the port side deck and down to the crew mess and crew living area allowing for discreet service.

Galley equipment

Galley equipped with all Miele equipment: Oven Microwave Double refrigerator Dishwasher Wine cooler Grill Induction plates Washing machine Condenser tumble dryer **Upper deck** Miele wine cooler Miele dishwasher Miele refrigerator Wessamal ice maker Additional wine cooler and refrigerator in main salon

Crew quarters

Crew lounge for 6, forward to port is a double captain's cabin with toilet and shower ensuite.

Forward the V-berth are two separate cabins with toilet and showers ensuite and toilet.

Bridge

Walking up the stairs from the lobby leads to the pilot house and small captain's office. Both equipped with state of the art communication, navigation and technical equipment. **Bridge equipment** Navtex receiver: Furuno Navtex NX700 (056009) SSB: Furuno type HS 2003 VHF: Furuno type HS 2003 VHF radio telephone: Furuno handset unit type HS 2721 2 x Simrad glass bridge monitors Navigation screen Hatteland display JHD VGA software CCTV Hatteland display 1 x stand alone DVR Bow thruster control: VT Naiad marine proportional sidemaster Searchlight: ITT Jabsco Speich wiper control Horn: Kahlenberg M-5111D whistle control 2 x Windlass controls Simrad R19 rudder angle indicator Simrad autopilot AP50 Simrad steering leuers FU50 2 x MTU engine monitor panels 2 x MTU engine controls Navigation system: Simrad GPS MX512 Simrad multifunction display controller OP-40 Simrad class B transceiver AI-50 Speed dome camera controller cop security (15-A45OH Lafayette) 2 x Simrad IS20 analogic instruments (wind, depth, etc) 2 x Simrad IS20 graphic multifunction instruments (compass, heading, wind, etc) Satphone Thrane IP handset TT-3672A Navigation lights/bilge
