## Independent Reviews

---

"There's no question that Contender's 35 ST is a hard-core fishing machine"

"Thanks to a pair of vents, the hull is very efficient"

"The 35 ST tracks well in hard-over maneuvers. This is due in part to the 24 degrees of deadrise at the transom. The deep-V hull also helps smooth out rough seas for a better ride."

"The 35 ST did not feel tender at rest, perhaps owing to its 9-foot, 8-inch beam and healthy reverse chines. The sheer line is flat, which gives the 35 ST a sleek and speedy profile."

"If you're serious about getting to the fish quickly and efficiently, the 35 ST is a worthy Contender."
