VESSEL WALKTHROUGH

The 50' Viking Convertible was introduced in 1991 and re-emerged in 2009 and quickly became popular as a smaller convertible with 3 staterooms and two heads. This newer and better design has a spacious salon with two L shaped sofas, a coffee table and dinette forward and island galley. The galley is up with under counter refrigeration. All staterooms are down and forward with the master being amidships. The VIP forward is stacked bunks to port and the other guest stateroom is opposite the master w/ over/under bunks. This guest stateroom also houses the stack Ariston washer/dryer. All around this boat has room and a great ride. Prestige has just 240 hours and is new to the market, shows like NEW and owner is looking to move up to a larger Viking! Why wait for a new Viking, this is as close as it gets!
