SPECIFICATIONS

Overview

Millennium Yachts was founded at the end of last century by two well-known yachtsmen who shared the goal of building fully-custom motor yachts that would elegantly combine both exceptional power and luxurious comfort. MISTIFIED is an exceptional realization of this vision. She was designed by the legendary Frank Mulder, with her interior by the equally renowned Evan Marshall, and painstakingly built to the highest Dutch standards by the Neptunus shipyard in Holland.

MISTIFIED cruises at an impressive 30 knots, topping out at 36 knots - no wonder Yachting Magazine wrote of the Millennium 75's "unmistakable power". Yet Millennium 75 is undoubtedly well-equipped for this type of speed. Both the hull and superstructure are built with a combination of multidirectional fiberglass reinforcements and marine grade polyester resins, with her bottom comprised of solid fiberglass laminate. Given all of this, it's no wonder that the hull form was successfully water tank tested at speeds in excess of 50 knots.

With a draft of less than five feet, and a range of 900nm at 12 knots, one would be hard pressed to find a yacht better-suited for the Bahamas. At her current price, it will be truly "mystifying" if this fine motor yacht stays on the market for long.

Basic Information

Category: Motor Yacht

Sub Category: Fast

Model Year: 2001

Year Built: 2000

Country: United States

Vessel Top: Electronic Sunroof

DETAILED INFORMATION

Overview

Millennium Yachts was founded at the turn of last century by two well-known yachtsmen who shared the goal of building fully-custom motor yachts that would elegantly combine both exceptional power and luxurious comfort. MISTIFIED is an exceptional realization of this vision. She was designed by the legendary Frank Mulder, with her interior by the equally renowned Evan Marshall, and painstakingly built to the highest Dutch standards by the Neptunus shipyard in Holland.

MISTIFIED cruises at an impressive 30 knots, topping out at 36 knots - no wonder Yachting Magazine wrote of the Millennium 75's "unmistakable power". Yet Millennium 75 is undoubtedly well-equipped for this type of speed. Both the hull and superstructure are built with a combination of multidirectional fiberglass reinforcements and marine grade polyester resins, with her bottom comprised of solid fiberglass laminate. Given all of this, it's no wonder that the hull form was successfully water tank tested at speeds in excess of 50 knots.

With a draft of less than five feet, and a range of 900nm at 12 knots, one would be hard pressed to find a yacht better-suited for the Bahamas. At her current price, it will be truly "mystifying" if this fine motor yacht stays on the market for long.

Main Salon

As you enter the main salon through the stainless steel-framed glass doors you will find, to port, a wall-length sofa and an accompanying coffee table. To starboard, opposite the sofa, is a full-service granite bar and a 60" LCD TV hanging discreetly on the wall. The Salon's brand new, exquisitely built hard wood floors catch the eye, and are reminiscent of flooring found in a rustic, high-end home.

Natural light filters through the main salon from virtually every direction, but it does so most strikingly through the large electric opening skylights overhead. No matter your musical tastes, Bose surround sound speakers will stimulate your acoustic senses throughout the Upper Salon.

- Full bar with Frigidaire cooler, "Premium" Brand icemaker, and 3 bar stools
- Samsung 60" Flat Screen Television
- Retractable Sun Roof with textilene covers

- Tommy Bahama Love Seat
- Oversized sofa, seats 5
- Coffee table
- Samsung Blu Ray disc player
- Bose Stereo System with surround sound
- Direct TV Satellite Receiver

Lower Salon - Galley and Dining

Below deck lies one of the standout features of MISTIFIED - a large lower salon. Walking down the stairs from the Upper Salon, one finds a port-side open galley, stocked with late-model appliances, and a service counter that seats four. Forward of the galley is a 37" LCD TV and entertainment center. To starboard, and directly across from the galley, is an oversized, off-white settee and a large, oval-shaped wooden dining table that comfortably seats six - a picture perfect spot for a game of cards, a formal dinner, or anything in between.

- GE 4-heater ceramic stove top
- Panasonic 1200W microwave
- Whirlpool dishwasher
- Kenmore Elite Refrigerator & Freezer / Icemaker
- Keurig coffee maker
- Garbage disposal
- Water heater
- Galley Service Counter with seating for 4

Pilothouse

The pilot house, featuring recently updated electronics, sits forward of the bar & entertainment center in the main salon on the starboard side. The pilot house is equipped with Captain and co-Captain's adjustable helm chairs. Opposite the pilothouse, to port, is a settee & table with seating for four – this space makes for a cozy breakfast nook or an ideal perch from which to review the day's cruising plans.

Accommodations

Master Stateroom

A passageway leads aft from the lower salon to a master stateroom that takes full advantage of MISTIFIED's nearly twenty foot beam. With a centerline king size bed and an ultra-comfortable love seat to port, there is no shortage of spaces in the master cabin to kick back and relax. A wall-mounted 32" LCD TV sits opposite the bed, and to starboard is a Vanity Table & Desk, as well as lighted closet space. The master stateroom's piece de resistance, however, is the forward, port-side private head, featuring a jacuzzi tub that would look very much at home on a far larger yacht.

- Whirlpool Heavy Duty Thin Twin Washer & Dryer
- King sized bed
- En-suite Head with Jacuzzi
- Vanity Table & Desk
- Love Seat

VIP Stateroom

Forward of the Lower Salon is an en-suite guest stateroom with a Queen size bed and a satellite-enabled flat-screen TV. The cabin's private bath features marble counters and a shower.

Guest Stateroom

Starboard aft of the Lower Salon is a second en-suite guest stateroom featuring upper and lower berths. A writing desk under the upper berth provides the optimal space for a guest to jot down his thoughts on the journey. The en-suite bathroom features a second door, accessible through the Lower Salon, transforming this otherwise private powder room into a convenient day head.

Aft Deck

With an oversized white settee, which can comfortably seat 6, and a matching fiberglass table with polished stainless steel legs, the aft deck on MISTIFIED is the perfect spot for dining while underway or dockside people watching. A starboard side electric grill makes barbecuing on the

aft deck almost too easy. To port, opposite the grill, is a conveniently located sink.

Port and starboard staircases, cordoned off from the aft deck by two matching stainless steel gates, lead down to the generously-sized swim platform to create an elegant Euro Transom. A watertight door on the transom provides access to both the crew quarters and the well laid-out, recently-painted engine room.

- Sun shade
- Kitchen Aid Electric Grill
- Sink
- Built-in aft lounge settee & table
- Clarion ceiling-mounted outdoor speakers

Foredeck

Sizeable walk-around side decks allow one to safely and comfortably access the forward deck. A well-cushioned Sun Pad, with canvas covering, is the centerpiece of this deck – a centerline umbrella can be raised in seconds, providing a terrific option for those who want to make full use of MISTIFIED's exterior spaces yet wish to avoid too much sun exposure.

Electronics & Navigation systems

Pilothouse

- MTU single-lever electronic controls and displays
- Garmin 5212 Multifunction Touch Screen Display
- AIS: Garmin AIS300 Receiver
- Plotter: Garmin 6212
- Radar: Garmin GMR404 – 6KW with 4' Open Array

- Autopilot: Simrad AP22 Basic Autopilot System
- Depth Sounder: Garmin GSD22 1KW
- Gyrocompass: Ritchie PowerDamp Plus
- Headhunter Tank Sentry Sensor System – SYM 23QR

Upper Salon

- Satellite TV: Sea Tel Cobham System (Need Model)
- Samsung 60" Television

Lower Salon

- Paradigm built-in speakers
- Yamaha CDX-10 CD Player
- Yamaha RX-V10 Stereo Receiver
- LG 37" flat screen TV

Master

- 32" Toshiba LCD TV

- Anchor Windlass System: Muir windlass with handheld remote
- Anchors: 110lbs. plow anchor
- Anchor Chain: High tensile all-chain rode

Miscellaneous:

- Forward sunpad with canvas covers & umbrella
- Non-skid decks

Engine & Mechanical Equipment

Generators & Electricity Output:

- 24 Volt DC electrical system

Generators:

- Westerbeke 24Kw generator

Batteries:

- (1) DEKA 27M6 12v 1050 MCA Marine RV Group 27 (Starter)
- (2) Napa 8D 12V Wet Cell Batteries (Starter)
- Inverter: NewMar PT-24-95U Phase 3 24 Volt DC Charger System

- Battery Charger: Xantrex 20 Amp TRUECharge 2 (Starter Batteries)
- Battery Charger: 30 Amp 5000 SP Series (House Batteries)

Air Conditioning:

- Marine Air reverse cycle air conditioning 72,000 BTU

Other Machinery

Bow Thruster:

- Side Thruster 24/48 volt 20HP

Steering System:

- Side SeaStar hydraulic steering and engine controls

Fuel Separator & Filtration:

- Dual Racor 75/1000 Filter & Water Separator (Single Racor for Generator)

Fresh Water System:

- AC & DC fresh water pumps Bilge Water Filtration:
- (2) Rule-A-Matic 14 Amp 12 float switch
- (4) Rule Super Switch 20 Amp float switch

Miscellaneous:

- Headhunter SYM 23QR Tank Sensor Module

Safety & Fire Protection

- Side Thruster 24/48 volt 20HP
- Fire Extinguishers
- Fireboy Automatic/Manual Fire Suppression System (Agent is HFC-227ea) - Life Rafts
- Carbon Monoxide detectors

Exclusions

Owner's personal belongings.
