Remarks

The Big Gin was built by legendary Scarborough Boat Works in Wanchese, North Carolina. Ricky Scarborough has been building boats for over 32 years ranging in size from 25' - 85' ,with the majority between 50' - 75'. The Big Gin was built with the tried and true plank on frame building method. Ricky Scarborough boats are known for their striking classic Carolina look as well as amazing sea keeping abilities. The Big Gin represents both of these attributes. She has had only 2 owners since new and received exemplary care from both. Constantly upgraded and meticulously maintained, she shows extremely well. The Big Gin has it all... ride, speed and looks! A must see for anyone in the larger custom sportfish market.

In 2014 the Big Gin received the following:

2,000 hour service, completed in July New FLIR camera system New center EZ2CY panel Black mask repainted New cockpit freezer refrigerator unit New A/C unit in master stateroom New galley freezer Watermaker rebuilt/serviced New A/C pump Fire system recertified All varnish and bright work refinished All interior bilges awlgripped New cushions on bridge Pool pump installed and all plumbed for tuna tubes Bottom was sand blasted, 3 coats of bottom paint were added Worm shoe replaced
